swarajequipment@gmail.com Website : www.swarajequipment.com

Dear Sir

Greetings & Good Day!

We **Swaraj Equipment Pvt Ltd** have a great pleasure in introducing ourselves as one of the leading Water Treatment Company certified by ISO. We have **3 decades** of experience in the field of Water Management be it **Waste, Effluent, Sewage, RO** to be recycled , directed towards addressing water challenges within India and aiming to geographically expand our global networks.

We have delivered **1000+**projects **PAN ASIA**

**We design and implement innovative water treatment programs, projects and business operation solutions that match the specific needs of our clients.**

We provide:

- Ø Complete water management with zero liquid discharge (ZLD) - RO/MEE
- Ø Effluent Treatment Plants
- Ø Sewage Treatment Plants
- Ø Ground Water Treatment Plants
- Ø Demineralization Plants
- Ø Desalination Plants

Our dedication to exemplary customer service complemented by a steadfast commitment to safety and use of premium quality products defines each facet of our business operations to facilitate economic and sustainable outcomes tailored to suit our broad client base.

Highly qualified with in-depth industry experience, our team of technicians deliver advanced water treatment solutions to a diverse range of industries, including food and beverage, defence, healthcare, HVAC(Heating, ventilation, and air conditioning), mining, municipal, petrochemical and power providers.

We also undertake:

- Ø Revamping of existing treatment plants
- Ø Power saving/upgrading of existing treatment plants
- Ø Operation & Maintenance
- Ø Annual Maintenance Contract

We are happy to provide you with all queries/requirements related to water treatment and we have a wide range of products/plants of all ranges that are budget friendly with best quality.

## SWARAJ EQUIPMENT PVT LTD

No.53, Annaji Rao Nagar, Vembullamman Koil Street, West K.K Nagar, Chennai – 600 078.  
PH: 044 - 2364 0284, 2364 3212  
swarajequipment@gmail.com Website : www.swarajequipment.com

### **All physio-chemical checks will be done**

- Feasibility/Treatability studies
- Environmental Impact Assessment (EIA) & EMP studies
- Energy Saving measures using latest Technology in Waste Treatment
- Study of existing plants and provides consultancy for economical operation.

We also undertake government projects and tenders and have successfully implemented more than **50 +** government projects in the last **5 years**.

### **Company profile:**

The founder Mr. K.Suresh, Prior to SEPL, was a renowned Mechanical Engineer back in 1980's started his career as Works Engineer in Ash Handling Division, Bhilai, MP from 1984- 1987, he started his own small scale manufacturing unit as YesKay Engineers in 1988 as an ancillary to L&T McNeil , S&S Power switch gears, etc. for their critical components. Being approached by an Environmental consultant for the requirements of Clarifier Mechanism which was only manufactured only by a few leading industries, He successfully manufactured a 12 meter dia Clarifier for a Leather tanning unit in Erode.

Got fascinated towards the protection of Environment he enrolled himself at Annamalai University and became acquainted more to the details about Industrial Pollution Control, His Concerns and love for environment was beyond comprehension that he made sure to do the right business in concerns with no harm to the environment, recycling of the natures resources, healthy living of human & mankind. His remarkable contribution is well known by the pollution control boards.

Have Designed & Executed successfully for all sorts of Waste water treatment plants ( Distillery, Tannery, Textile, Pharma, Sago, etc)

Were pioneers in introducing Reverse Osmosis Plant for Textile dyeing units in 1996, Generating power from Sago Effluent for more than 350 units , Multiple Evaporation systems of various capacities from 1996 ( Countries first largest MEE -450 KLD in 1999). STP up to 35 MLD, The journey had remarkable growth, ups and downs but never failed to keep the staff happy.

## SWARAJ EQUIPMENT PVT LTD
